PREPARATION OF VIDEOS FOR WP4 🎥 🎥 🎥

We're excited to announce the preparation of promotional and introductory videos for Work Package 4!

Using advanced AI tools, we're crafting engaging avatar-based videos to highlight the core content of the online course for educators.

These videos aim to effectively introduce AI integration in teaching, making the course more interactive and impactful.

- Online meeting from 03.12.24

Project partners met online to share updates and plan ahead. Key highlights:

📌 Progress on the e-course empowering educators to use AI Chat tools in higher education.
📌 Newsletter updates, featuring key milestones and insights.
📌 Strategies to engage national communities and share project results.

Quick 2024 summary

Our main Activities ✨

This year, the team focused on two key initiatives:

📖 Work Package 2 (WP2): Developed the Handbook for Academic Teachers, a comprehensive resource for academic institutions and HEI providers. It addresses challenges in integrating AI chat tools into teaching methods and evaluation strategies, empowering educators with practical guidance.

💻 Work Package 4 (WP4): Prepared an engaging e-course for academic educators, focusing on the effective use of AI Chat tools in higher education to enhance teaching and learning processes.
